DESIGNER RECEPTIONS

What does a beautiful designed front reception counter really represent? The answer is, it's everything about you and your brand. It's your first warm hello, your first point of contact and most importantly the first impression of you and what you do. Never hold back on the WOW factor! For more images please refer to our website.

COFFEE TABLES

It's the centre ring that ties a space together and brings the focal point to a dedicated area. You want it to be comfortable, welcoming and inviting, all at the same time. It may be a small piece of furniture added to a casual breakout area, or a grand reception space. Coffee tables allow you the space to add your personality through decor and accessories, creating a mood or a place you would be happy to put down your coffee cup.

SLAT WALLS

Our Melamine Slat Walls have a place in every workspace, they offer the flexibility of privacy as well as serving as a decorative feature. Our Slat Walls are a breathing wall and they inspire interaction. While creating breakout areas without being concealed behind solid walls, your workspace will continue to inspire collaboration and productivity. With the flexibility of the widths and heights of our Slat Walls and 50 colours options, they can belong in any area of the workplace.

Please note: Walls are not free standing. It is recommended that walls be fixed to permanent structures on two sides.

GARDEN ROOM DIVIDERS

The Planter Room Dividers were designed due to a gap in our offering for those who wanted the benefit of greenery in a workspace without the requirement for storage. Without the storage we are able to design these units in a slim line fashion, they can be used at the ends of workstations or dividing workstations, as well as breakout areas or creating corridors in an open space.

PLANTS IN RENDER ARE INDICATIVE ONLY

The designer credenza line was intended to be minimalistic and modern with its masterpiece details such as birds-mouth joins, decorative lines, curved doors, soft closing hinges and uplifted bases all that have been carefully designed for the commercial space. They are even more beautiful in real life once they arrive on site. Take our word for it, they are a stand out.

Please note there have been adjustments to the heights in the designer range of credenzas, now all ranging from 800mm - 850mm High. Leg colours will specify the internal carcass and Back colour. Black and White Only.

FUSION MULTIPURPOSE

50mm SCREENS

The Ergo- Panel 50 is an Australian Made product – extremely versatile, modular screen system. The screen is fully customizable, giving the client complete control and flexibility over size, style, colour and functionality. Desk mounted or free standing, the screens can be seamlessly integrated into IS's extensive workstation systems utilising a universal power pole/post. Fully integrated cable management systems are available in any number of positions on the screens with the ability for both soft wired or hard wired options.

ELECTRIC RANGE

The Electric range utilises European design and technology and is constructed with a sturdy steel frame, being powered by motor drives. Maximum height is achieved via telescopic legs. The Electric operation allows the user to easily adjust the worktop height to their individual preference. The master controller also allows the user to set the minimum and maximum heights as well making it perfect for the home or corporate office alike.

BREAKOUT SEATING

The office breakout area is an integral part of any office space. When designing a space these are a few important items to consider, soft seating with acoustic properties, coffee tables, phone charger station, garden walls and a small fridge for refreshments and don't forget bins and last but not least a coffee station hub. We have designed beautiful stylish products to cover all of these needs.

MINI SPACE

FEATURES

The mini space allows you the freedom of a quiet acoustic booth to steal a moment alone that is a loose piece of furniture

ALPINE ACOUSTIC SPACES

FEATURES

Each Acoustic Booth can accommodate one Soft 37 Chair to take a call or have a impromptu meeting with an option of a foldable table. Each booth is priced on application according to your measurements and requirements. Booths can sit face to face.

AUDITORIUM SEATING

FEATURES

The auditorium seating is a P.O.A product at this time as your specifications are required to determine the size / Optional heavy duty castors

CUBB BUILT IN

FEATURES

Cubb Seats can be built in as pictured for a more decorative feel in waiting areas / Also featured is our Belt Line Decorative Wall
