

## TIMBER PANEL RANGE

Wellington Architectural specialises in the manufacture of 'design-flexible' pre-fabricated timber cladding panels. Our panels feature concealed fixings which provide a seamless finish with fast installation and reduced waste.

Our timber panel range contains a range of panel designs which are customisable and available in a range of timbers and finish options, customised to suit your project.

Below we provide details on the following panels:

- Epsilon Panel
- Alpha Panel
- Omega Panel
- Gamma Panel
- Delta Panel

While these are our most popular panel designs, any design can be modified to suit the specific project.

The pricing for our timber panel range varies based on the complexity of the design and amount of timber required to produce each panel.
