OUR DYNAMIC PORTFOLIO OF AESTHETIC AND ACOUSTIC CEILING AND WALL PANEL PRODUCTS SHOWCASE THE BEST OF OUR GLOBAL PARTNERSHIPS. WE DELIVER INSIGHTS AND TECHNICAL LEADERSHIP TO OUR CUSTOMERS ENABLING THEM TO CREATE INSPIRATIONAL, PRODUCTIVE AND TECHNICAL SPACES.

OUR GLOBAL PRODUCT PARTNERS

OWA have been developing, producing and marketing suspended ceiling tiles made from mineral wool, steel grid and accessories for over 50 years. Ceilector are the exclusive distributor of OWA products in Australia.

Ecophon, a part of global Saint-Gobain building products group, manufacture high acoustic glasswool ceiling tiles and wall panels in Sweden. Passionate about acoustics, Ecophon products assist in enhancing the wellbeing and performance of individuals in the spaces that they work and live.

Gyprock are Australia's leading plasterboard manufacturer since 1947. They produce a wide range of gypsum based products such as plasterboard and cornice, as well as compounds, adhesives, specialty plasters and associated finishing materials and accessories. Gyprock plasterboard is used to manufacture our wide range of plasterboard ceiling tiles.

Rondo have been at the forefront of innovation, service and product quality for over 50 years. It's Rondo's reputation for producing market-leading wall and ceiling systems, as well as offering expert technical design and sales support that has led to Rondo being a part of the best projects worldwide.

Troldekt manufacture acoustic ceiling and wall panels from natural materials. The products are designed and developed in Denmark from local materials using state of the art and eco-friendly technology.

Himmel is the brand of high quality Timber ceilings and wall panels that we distribute into the market. Manufactured in Australia, Himmel product can be custom designed and made to order.

Daiken, Japan's largest building materials manufacturer, are the leading ceilings brand in Japan. For further information contact the Ceilector Western Australia office.

The Fricker range has been a long-standing reputable brand in the Australian CBD market, with strong ties to the Property Industry and the ability to custom build solutions for even the toughest designs.
