

# timber TEK

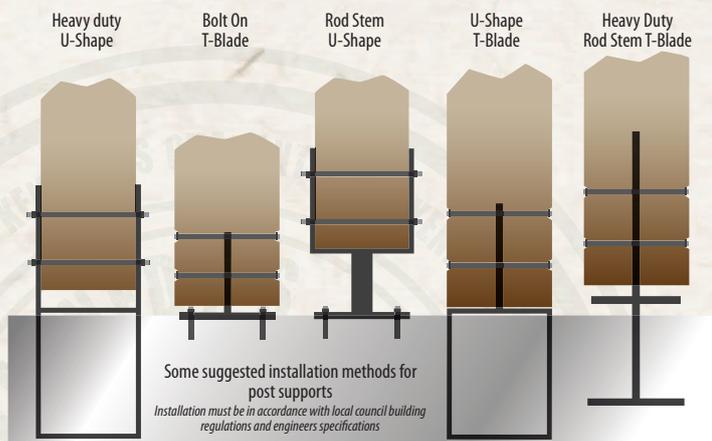

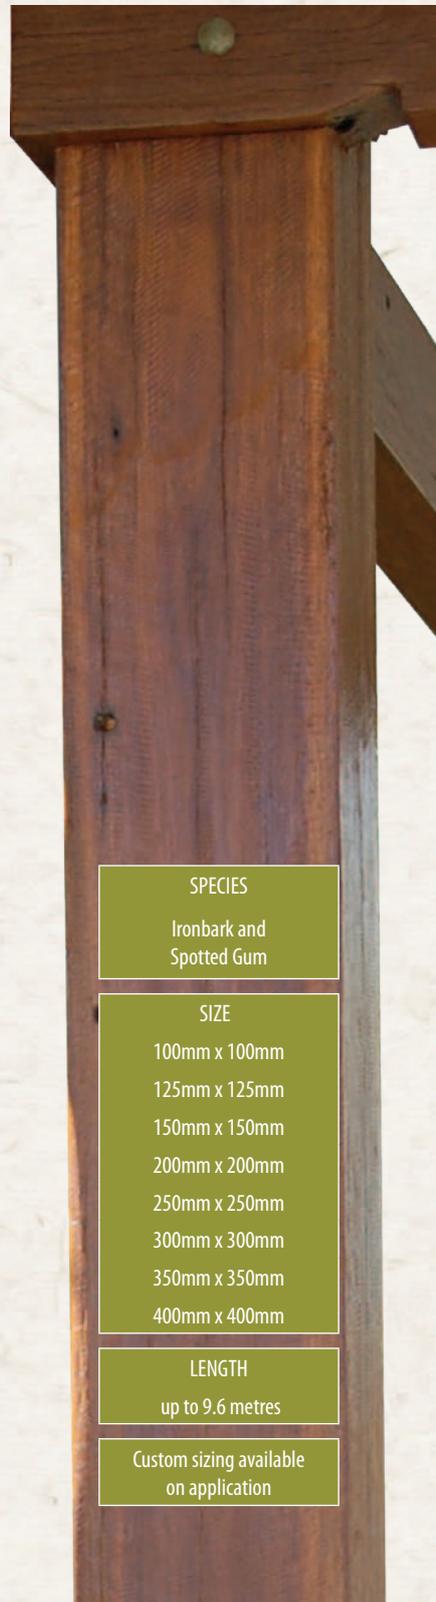

## Kennedy's posts

green, lean and supreme

Massive and magnificent, Kennedy's range of premium aged post and beam timbers add warmth and charm to any structure.

These old timbers have immense structural integrity. They can either be left in their original rustic and rugged form or hand brushed to reveal the patina generations of prior use has enriched.

A full range of post supports suitable for your application are available from Kennedy's Timbers

Kennedy's range of architectural timber feature posts and beams are available in a range of finishes including:

- rustic
- grey and weathered
- sawn
- precision profiled
- hand brushed
