Dimensions are approximate. Information provided in this brochure is representative of the actual products available at the time of printing. Due to our policy of continuous product development, the designs and specifications depicted are subject to change without notice. Please confirm all particulars with your sales consultant prior to purchase. Each product is covered by a limited warranty. Full terms and conditions are available from your sales consultant.

# VIEGA MORE

Form, function and quality without compromise, Viega brings the very best of German design and engineering to the contemporary bathroom with Viega More. Every award-winning More Push Plate, designed by Studio Artefakt, is crafted from the highest quality tempered glass or aluminium to convey a sense of lightness and offers the unique flexibility of being mounted perfectly flush with the wall.

Hidden behind each push plate is the precision-engineered Mono Slim Inwall Cistern, available for both wall hung and floor mount pans. The compact, 80mm thin Mono Slim functions using Bowden wire technology for a smoother, more reliable operation and includes a completely pre-assembled water inlet and one-piece drain valve for flawless installation and effortless servicing.

## MORE 100 – PUSH PLATES
