

For the attention of
Every Teacher...

STAGE FRIGHT

Every Teacher's prime concern is the safety of every Student.
Especially where school productions and assemblies are concerned.

If you are making do with your old stage which has seen better days, then contact us for peace of mind.

HOW SAFE & EASY IS YOUR STAGE?

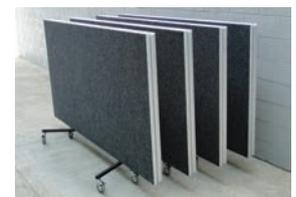

As all Select Staging Concepts' Stage Systems are manufactured here in Australia, we guarantee your new modular Stage will:

1. Be Safe, Simple and Easy to use
2. Will be manufactured here to strict Australian Standards
3. Allow you to add a wide range of Safety Accessories - including Access Ramps
4. Give you options to custom design to your exact requirements
5. Be a multi-functional Stage - turn a flat performance Stage into a Choir Riser, Tiered Seating, Multi Height Performance Stage, a Catwalk or even Tables for your graduation dinner - all just by adding different height Legs and safety Accessories.

IS STORAGE A HEADACHE?

Finding Space to Store a Stage is not an Issue!

Your old Stage may be a storage headache, but our Modular Stages and Fold & Roll Stages store simply in minimal space - a 40sqm QUATTRO & PILOT Stage will store in just 2m x 1m area!

All our Stages simply roll away for storage either with our Storage Trolley Kit or built in DIVA OR MELBA Trolley bases.

Simple, Easy and Safe!
