

The Silent Servant - Dumb Waiter

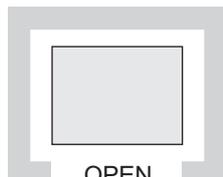

Product Description

The Silent Servant is a manually operated dumbwaiter specifically designed to move goods such as groceries, laundry, firewood, etc, between the floors of multi-level homes.

Using an advanced heavy-duty counter-weighted hoist-mechanism, the Silent Servant delivers a smooth, quiet operation with minimum effort. Made in the USA and imported by Aussie Lifts, the Silent Servant is made from quality materials to insure a lifetime of trouble-free service with a minimum of maintenance.

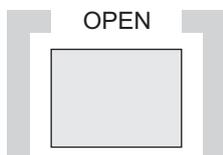

Specifications

Manufactured in:	USA
Imported by:	Aussie Lifts Pty Ltd
Car Construction:	Hardwood veneer with laminated plastic edging and carbon steel fittings
Lift Mechanism:	Heavy duty hoist machine, self-aligning ball bearings, fully automatic brake mechanism, lift car runs on machine grooved rails

Feature-Packed Design

- Heavy-duty hoist machine
- Self-aligning ball bearings
- Fully automatic brake
- Engineered aluminium guide rails
- Precision moulded bearing-quality guide shoes
- Simplistic design
- Time-saving installation features
- Ecologically sound

Residential Applications

- Groceries
- Laundry
- Firewood
- Prepared food and snacks
- Seasonal storage
- Reduce back strain
- Reduce stair usage
- Seniors & disabled
