

“Good design starts with inspiration, exceptional vision and provocative thinking. It comes to life with great materials, finishes and systems.”

TIMELESS  
BEAUTY

**TRESPA® METEON®**

# HIGH-END AESTHETICS, LASTING QUALITY

SINCE 1960, TRESPA HAS BEEN SUPPORTING ARCHITECTS ALL OVER THE WORLD WITH HIGH QUALITY PRODUCTS FOR EXTERIOR DESIGN. TRESPA® METEON® IS A DEDICATED RANGE OF DURABLE PRODUCTS FOR EXTERIOR ARCHITECTURE.

Trespa® Meteon® is engineered for exterior coverings such as façade cladding, balcony panelling, sunblinds and other demanding applications. Thanks to the wide variety of options on offer, there's a perfect match for almost every architectural vision. A broad selection of innovative finishes and striking effects, bespoke and standard colours, allow you to play with abstract variations, colours and natural appearances.

Nover are now stocking a range of Trespa® Meteon® panels for use in alfresco applications. The external performance of Trespa® Meteon® provides peace of mind when manufacturing alfresco kitchens or any cabinets exposed to the elements.

Please refer to BBQ cooker installation recommendations.  
Picture above has been created to showcase a TRESPA® top only.

“Innovation is the foundation of our approach and will continue to be the foundation of the future.”

André Horbach, CEO, Trespa International B.V.

London Grey

“A natural appearance with the quality of Trespa.”

## TRESPA® METEON® IS A DECORATIVE HIGH-PRESSURE COMPACT LAMINATE (HPL)

With an integral surface manufactured using Trespa's unique in-house technology, Electron Beam Curing (EBC).

The blend of up to 70% natural fibres and thermosetting resins, manufactured under high pressures and temperatures yields a highly stable, dense panel with good strength-to-weight ratio.

Trespa® Meteon® is a versatile panel perfect for alfresco applications. Trespa® Meteon® panels can be used on their own or in combination with other materials. They are perfect to create one-of-a-kind effects, to determine the look and to underline the qualities of your project.

Available in a select range of colours & finishes in a 13mm thick panel Trespa® Meteon® brings compelling aesthetic and nearly limitless design possibilities to any alfresco kitchen. The whole product range comes with a 10-year conditional Product Guarantee.

### ■ WEATHER RESISTANCE AND COLOUR STABILITY

Trespa® Meteon® performs exceptionally well outdoors and stays looking great for many years. Sun and rain will have no significant effect on the panel's surface.

### ■ LOW MAINTENANCE AND EASY TO CLEAN

The closed surface of Trespa® Meteon® practically withstands dirt accumulation, keeping the product smooth and easy to clean.

### ■ SOLID AND STURDY

Trespa® Meteon® is highly scratch and impact resistant. The panels are consistent, high-density throughout, easily machinable and workable like hardwood.

**NOTE:** When installing Compact Laminate in the vicinity of gas burners, barbecues or electric hot plates, ensure that minimum clearances are maintained between the appliance and Compact Laminate.

Free-standing/built-in barbecue installations must adhere to the barbecue manufacturer's guidelines for installations near combustible surfaces. Also ensure adequate clearance between the base of the barbecue and Compact Laminate.

# DURABLE AND DISTINCT

ATTRACTIVE AND LONG-LASTING PANELS ARE ESSENTIAL TO CLIENTS, TENANTS AND BUYERS. WITH TRESPA® METEON® YOUR PROJECT IS GUARANTEED TO STAND OUT TODAY AS WELL AS TOMORROW.

Trespa® Meteon® can be used in countless applications and has proven its worth in real-life projects for over half a century. Whatever your architectural goals and vision, there will be a right solution.

## TRESPA® METEON®:

- WEATHER RESISTANT & COLOUR STABLE
- LOW MAINTENANCE & EASY TO CLEAN
- SOLID & STURDY

### ■ HIGH QUALITY, LOW MAINTENANCE

Trespa® Meteon® performs exceptionally well outdoors and it stays looking great for many years. Sun and rain have no significant effect on the panel's surface.

Since nobody is keen on maintenance and the related costs and time investment, Trespa® panels have been developed to minimise this.

The neatly closed, pore-free, uniform surface practically withstands dirt accumulation, keeping the product smooth and easy to clean.

Graffiti can be treated with the right cleaning agents. A practical approach to saving on maintenance.

### ■ SUSTAINABLE SOLUTIONS

Trespa® Meteon® contains up to 70% natural fibres and is available with PEFCTM or FSCTM certification. Its sustainable character is expressed through long-lasting performance.

## DISCLAIMER

## GENERAL

These terms apply to the use of this document and such use automatically means that the other party agrees to these terms. The information provided by Trespa International B.V. ("Trespa") in this document is solely indicative. Trespa is unable to warrant the accuracy and completeness of this information. Trespa may change the information included in this document at any time and without further notice. Trespa's customers and third parties must ascertain that they have the most recent document (for the most recent version, please consult: [www.trespa.com](http://www.trespa.com)). No rights can be derived from the information provided; the use of the information is at the other party's risk and responsibility. Trespa does not warrant that the information in this document is suitable for the purpose for which it is consulted by the other party. This document does not contain any design, structural calculation, estimate or other warranty or representation that customers and third parties may rely on. This document does not guarantee any properties of Trespa products. Colours used in Trespa's communications (including but not limited to printed matter) and in samples of Trespa's products may differ from the colours of the Trespa products to be supplied. Samples are not intended for use in product tests and are not representative of characteristics of the Trespa products. Trespa's products and samples are produced within the specified colour tolerances and the colours (of

production batches) may differ, even if the same colour is used. The viewing angle also influences the colour perception. Metallics panels feature a surface whose colour appears to change based on the direction from which it is viewed. The specified colour stability and colour specifications relate only to the decorative surface of the Trespa products, not to the core material and samples of the Trespa products. Trespa products are delivered ex-works with straight, sawn sides. Customers and third parties must have a professional adviser inform them about (the suitability of) the Trespa products for all desired applications and about applicable laws and regulations. Trespa does not warrant the above. The most recent version of the current delivery programme and the Material Properties Datasheet can be found at [www.trespa.info](http://www.trespa.info). Only the information in the most recent and valid Material Property Datasheet should be used to select and provide advice regarding Trespa products. Trespa reserves the right to change (the specifications for) its products without prior notice.

## LIABILITY

Trespa is not liable (neither contractual nor non-contractual) for any damage arising from or related to the use of this document, except if and to the extent that such damage is the result of intent or gross negligence on the part of Trespa and/or its management. The limitation of liability applies to

all parties affiliated with Trespa, including but not limited to its officers, directors, employees, affiliated enterprises, suppliers, distributors, agents, and representatives.

## GENERAL CONDITIONS

All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related activities of Trespa are governed by the *Algemene verkoopvoorwaarden Trespa International B.V.* led with the Chamber of Commerce and Industry for Noord- en Midden-Limburg in Venlo (NL) on 11 April 2007 under number 24270677, which can be found on and downloaded from the Trespa website, [www.trespa.com](http://www.trespa.com). All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related work of Trespa North America, Ltd. are governed by the Trespa General Terms and Conditions of Sale, which can be found on and downloaded from the Trespa North America Ltd. website, [www.trespa.com/na](http://www.trespa.com/na). A copy of these general conditions of sale will be provided free of charge on request. All general terms and conditions other than the conditions mentioned above are explicitly dismissed and do not apply, regardless of whether such terms and conditions are referred to on requests for offers, offer confirmations, stationery and/or other documents of the other party.

## INTELLECTUAL PROPERTY

All intellectual property rights and other rights regarding the content of this document (including logos, text and photographs) are owned by Trespa and/or its licensors. Any use of the content of this document, including distribution, reproduction, disclosure, storage in an automated data file or the dispatch of such a file without Trespa's prior written consent is explicitly prohibited. \* Trespa, Meteon, Athlon, TopLab, TopLab<sup>PLUS</sup>, Toplab<sup>ECO-BEE</sup>, Virtuon, Volkern, Trespa Essentials and Mystic Metallics are registered trademarks of Trespa.
