

LIANO II

TAPWARE AND BASIN COLLECTION

Inspired by the emerging fashion of modern Australia, our Caroma Liano II Collection represents the best of Caroma's leadership in bathroom design and is sure to make a statement in any home.

Creating your own home has always been part of the Australian dream; the opportunity to design a unique space that both complements and elevates your individual style. The Caroma Liano II Collection will provide you the freedom to create your dream bathroom; one that enables an experience of personal luxury through customising key design elements and durable colour finishes.

The collection proudly represents fashionable Australian styles, made from the highest quality materials and incorporates the latest in sustainable innovations.

“Minimalistic style, clean lines and symmetry defines the **Liano II Collection**. It's the collection you need to make a statement in your home. Combined with a modern range of stunning colour finishes to provide an even greater design flexibility and expression.”

Luke Di Michiel
Caroma Industrial Designer

LIANO II TAPWARE COLLECTION

Created with *flexibility* in mind...

The refined and minimalistic appeal of the Liano II Tapware Collection is the perfect foundation to any bathroom. Let your personal expression shine as you mix and match elements and select from the stunning range of colour finishes to co-ordinate your bathroom vision.

Available in a beautiful and highly durable palette of 5 colour finishes, the collection can be tailored to suit a range of styles and tastes, making it our most customisable Caroma collection yet.

The collection features Caroma Easy-Switch, the universal in-wall body system that gives you ultimate flexibility.

The in-wall mixers have unique flexibility in that the trim kit, colour finish and design can all be interchanged pre or post installation – eliminating costly hold ups as well as allowing you to quickly and easily update the design, colour and style without costly rectification work. Trim kits are available in 5 colour finishes.

Caroma Easy-Switch is the universal in-wall body system that fits every Liano II tapware and Urbane II product to give you the ultimate flexibility when choosing your bathroom fittings.

DRESS RINGS

Elevate your bathroom design with premium dress rings to match your Liano II Collection basin and tapware.

Please note that each Liano II Basin has been handcrafted and hand finished with the application of colour. Every basin is therefore unique and colour appearance will vary to that seen in the images of the product.

Premium Quality & Design

SMOOTH STAIN RESISTANT SURFACE

For stylish and hygienic living.

THIN RIM DESIGN

The rim thickness is 7mm typical within manufacturing tolerances - 3-4mm radius full round.

FINE FIRE CLAY FOR DURABILITY

Fine fireclay holds its form and shape a lot better, it's less fragile and brittle than standard ceramic, and therefore much more resistant to impact, heat and cold water.

Basins

Refined, minimalist, architectural elegance with flexibility, the Liano II Basins Collection includes integrated matching colour ceramic pop-up plug and waste which sits flush with the basin when open. Option to pair with the Urbane II basin metallic pop-up plug and waste available in Chrome, Matte Black, PVD Brushed Nickel, PVD Brushed Brass and PVD Gunmetal, to colour match with tapware.

Australian designed and engineered with a 20-year warranty the Liano II Basins Collection are non-overflow only.

For special-order Matte Green, Matte Grey, Matte Pink and Speckled finishes, allow up to 16 weeks product lead time.
