Expression Series (Feature Blackbutt with Roman Brick Pattern)

easyvj (MJ100)

easyvj®

EasyVJ has been successfully incorporated into this 5 star Hotel room upgrade to promote a casual relaxed modern design, achieved via a retrofit over existing dated wall coverings.

easyvj (VJ150)

The simple yet impactful easyvj has created an immaculate look. Used here to enhance this living space, the combination of decorative panelling, a light filled room and a neutral pallet, has created a crisp, sophisticated feel.

easyvj®

easygroove (Bespoke)

easygroove®

This bespoke design using the easygroove profile, was created exclusively for the \$55m conversion of the historic *CML Building* into the boutique 5 star *Mayfair Hotel, Adelaide*.

easygroove (EG Random)

easygroove random wall panelling adds a unique eye-catching feature to this casual lounge room update.

easygroove®

easyline (EL150)

easyline®

Adding just a touch of decorative panelling produces a more informal welcoming environment into this busy traffic area.

easyline (EL150)

To add some life and a sense of space to this master suite, easyline with its bold horizontal grooves has been used to create a unique and striking feature wall.

easyline®

easyregency (REG150)

easyregency®

A decorative finish that not only looks great but also provides the hardwearing maintenance free properties required in a busy retail, restaurant environment.

easyregency (REG150)

Inspired by the refined homesteads of France's Champagne region, easyregency wall panels showcase the classic French feel with a neutral palette, in this new *Melbourne home*.

easyregency®

easyascot (Ascot900)

easyascot®

The careful detailing and true craftsmanship of the dado-rail ascot panelling produces an elegant focal point for this 5 Star Hotel entry.

easyascot (Ascot2700)

The full wall ascot panel produces a beautiful classic formal finish creating an environment of regal opulence in this *Melbourne display home*.

easypanel (EP Smooth)

easypanel®

easypanel displays the clean, finished look of traditional plasterboard but with innovative strength and durability.

easypanel (EP Smooth)

In this shopping centre retail display easypanel offered a smooth, versatile wall finish that delivered a quick and simple installation solution.

Expression Series Circles Pattern

expression series®

This restaurant has generated a relaxed, welcoming atmosphere through utilising the Expression Series Circles pattern as a main full wall feature, adding character to the main dining area.

Expression Series Chevron Pattern

Using the Expression Series Chevron pattern makes it easy to create dazzling designs in any space. As seen in this sensational space, accentuated by Chevron's glamorous pattern against the elegant dining room design.

expression series®

American Oak Veneer / Expression Series Circles

**easyveneer**<sup>®</sup>

easyveneer has been used to great effect in creating spectacular receptions and lobbies by incorporating timber elements throughout. The wide range of veneers and patterns makes any design a possibility.

American Walnut with easygroove (EG150)

easyvener timber panelling with an easygroove profile forms a stunning feature for any space, presenting as a warm natural finish to this lounge / media room.
