

# TRAFFIC DOORS

*doors with  
intelligence*

## Another product to the DMF range

Our TRAFFIC DOOR is a high impact resistant door, from a selection of DMF's already comprehensive range of specialty door products.

Complete with a very durable door panel and 180 deg swing, this door is the ideal option for those extra heavy applications exposed to high traffic flow. Many benefits are available as listed overleaf.

### Ideal for . . .

**Supermarkets**

**Retail Stores**

**Hospitals**

**Kitchens**

**Pharma labs**

**Sound rooms**

**Process Rooms**

**Workshops**

**Custom-made to suit your application**

[www.dmf.com.au](http://www.dmf.com.au)

Since 1967, DMF International has been creating only the best door systems for climate control for Australian and export markets. The TRAFFIC DOOR continues this great tradition.
