

ADVANTAGES OF PRE-PAINTED ALUMINIUM

Can be used in areas without direct rainfall with no corroding or discolouring

Lightweight: easy transportation & installation

Pliable: great design freedom

Five stylish colours

PVDF liquid paint: more malleable, allows expansion without peeling or fading

THE BEST METALS

- ✓ Exceptional quality
- ✓ Proven strength
- ✓ Long lifespan
- ✓ 100% recyclable
- ✓ Less energy + water in production: smarter sustainability choice
- ✓ Outstanding corrosion resistance
- ✓ Incredible versatility in style, design and function
