AM-BOSS
ACCESS LADDERS PTY LTD

DOMESTIC SERIES PULL-DOWN ACCESS LADDERS

Optimise your ceiling storage.

Most people tend to avoid the ceiling because it can be difficult to reach safely. Nobody wants to risk falling off a rickety step-ladder while carrying a stack of heavy containers. Fortunately, AM-BOSS present a domestic series of loft ladders that allows you to safely access and utilise empty roof space.

COMMERCIAL

When you work at great heights your personal wellbeing should be paramount.

The AM-BOSS Commercial Series pull-down access ladders are manufactured to suit each individual environment and accommodate various site specifications. Our range is sturdy enough to withstand constant use as well as external, environmental abuse.

ONLY THE BEST ACCESS SOLUTIONS

AM-BOSS pull-down access ladders comply with the Building Code of Australia and are CodeMark Certified.

Get in touch with AM-BOSS today to discuss any technical queries about our products.
