The new Liano Nexus basin range has been designed for those that favour sharp lines and square styling. Displaying an architectural, minimalist style, the Liano Nexus basin range is available in multiple configurations and compliments a contemporary bathroom.

## Features

- Contemporary, sharp angular design
- Multiple configurations to suit a wide range of bathrooms\*
- Match with Caroma Liano taps and accessories
- Supplied with overflow and includes flush-fitting white plug and flush-fitting chrome waste
- Suitable for installations to comply with Australian Standard AS1428.1
- Material: Vitreous China

\* Available in OTH and 1TH configurations only
