WHY SAFESTOP?

NO-WELD

- Safe - No Hot Works Permits required
- No need for skilled labour
- Reduced opportunity for corrosion

FULLY MODULAR

- Simple install
- Adapt to suit most applications
- Add to or reconfigure easily as required

FLAT PACK

- Reduced freight costs
- Easy one man handling
- Additional modules easily stored for future installations

STANDARD MODULES

- Immediate delivery, ex-stock
- 2m plug & play modules
- Minimise design & fabrication time

SAFETY YELLOW

- OHS Compliance friendly
- High Vis yellow for increased safety
- Supplied pre-finished
