

Haven Lounge

OFFICEPACE

Endless options, endless style

The freedom to work differently

Modern workspace design gives people the freedom to work differently. More and more, people are stepping away from their desks in search of new ways to interact, communicate and collaborate at work.

The Haven Lounge is the very definition of flexibility. Its contemporary, modular design inspires today's businesses to create the workspaces of tomorrow, with endless combinations to cater for every work style and purpose.

The freedom of choice

Our Haven Lounge range offers endless choice, providing the freedom to fashion a workspace that's bespoke to the culture being created.

Featuring lounges and ottomans in an array of sizes, our Haven Lounge range can be combined and customised for a specific space and purpose – from a break-out area for teams to connect, a serene space for an individual to focus, or a warm and welcoming reception area.

Choose from stylish modular pieces including 1, 2 and 3 seat lounges with Standard Back or Tall Back, and one arm (left or right) or two arms for optimal versatility. Each piece is upholstered in our Cashmere house fabric range or BYO fabric for the ultimate in custom seating.

Standard and Tall
back height options

Black feet with
option to powdercoat

Standard Back

The Haven Lounge is a contemporary and entirely modular soft-seating range perfect for any breakout space or reception area. Utilising the two-tone colour scheme plus the many size and configurations available, enables a business to create a distinct and unique design for their space. Combining the Haven lounge with a matching ottoman provides an added touch of comfort and a sense of a relaxed, collaborative style.

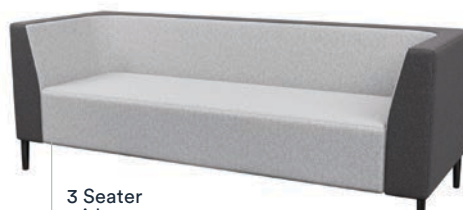

*Unique black foot, option
to custom powdercoat*

Tall Back

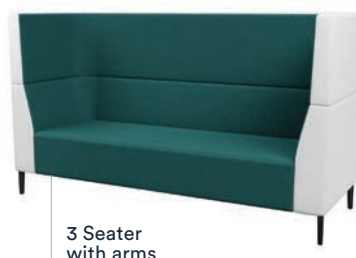

Create a unique personal workspace or an intimate meeting hub with the modular design of the Haven Lounge soft seating range. The Tall Back option helps form a space for focus and concentrated work in a busy office environment, while offering plenty of back and neck support for added comfort. With ample room for customising colour, shapes and sizes, the options are endless.
