ALUFLEX FOLD UP DOOR

doors with intelligence

The ALUFLEX Fold Up Door is a new model for DMF, incorporating a new budget design for large doorway applications, with a simplified PLC control. It is a reliable and durable door, yet providing a simplicity that allows non specialist installation. Many options are available as listed overleaf.

Ideal for . . .

- Waste plants
- Warehouses
- Large dock areas
- Heavy industry
- Workshops
- Fabrication areas
- Mines
- Shipyards

Custom-made to suit your application
