

Quality Windows & Doors at Wholesale Prices

WINDOW and door retailer, GEM Windows & Doors, focuses on providing great quality for unbeatable prices, supplying direct to retail customers at wholesale price.

Gem offers standard size products as a cost-saving alternative for aluminium sliding and stacking doors, sliding windows, awning windows, and double hung windows in both residential and commercial ranges. Additionally, it now offers double glazed commercial products.

So why GEM?

On-the-spot quotes, discounts for larger orders and returning customers, no order is too small, 11 days lead time for most products, 100 per cent Australian manufactured, and two conveniently located showrooms – Alexandria and Castle Hill – which have a wide range of products on display.
