Studio

ecmasterseries™
pure wool carpet

Features & Benefits

- Studio is an inspiring carpet range that is both refined and beautiful in its simplicity.
- Made from 100% premium New Zealand wool to give unparalleled class and quality to your corporate interior or home.
- 32 bright and contemporary colours have been carefully selected to give you the most up-to-date palate providing unlimited opportunity and freedom to ignite your imagination.
- Due to its unique construction, Studio has a high surface pile mass and a classic dimensional look.
- 3 ply woollen spun yarn creates a defined loop for longer appearance retention.
- The natural qualities of wool make it resistant to dirt and stains, and makes cleaning easier in today's world of high activity and low maintenance.
- Studio complies with 'AELA Ecolabel' program requiring low volatile organic compounds and air emissions.

* Mini colour samples available free of charge upon request.

* Printed sample colours shown here are indicative only.
