

THE COMPLETE HÄFELE FOR MOBILE DEVICES.

For over 40 years The Complete Häfele has been the recognised reference for fittings and hardware technology.

You can now access the catalogue via your tablet: our free app provides you with simple and mobile access to our complete range - wherever you or your customers may be.

Download it free from the app store® or google play® today

NEW FOR
ALL MOBILE
DEVICES

HÄFELE

HÄFELE APP.

THE COMPLETE HÄFELE NOW COMES TO ALL MOBILE DEVICES.

Now you don't have to own an iPad, you can access everything Häfele has to offer anytime, anywhere on any mobile device. You'll be able to present the best design concepts and products to clients, and show them how they look in real-life installations, order products for your project in the office, on the job site or on the go. Suddenly turning your ideas into reality has never been easier.

Features:

- > The entire Häfele Catalogue library stored in one compact and portable location, your own mobile device!
- > Download the catalogues to your tablet's hard drive and enjoy fast browsing through catalogue pages.
- > Multiple search functions, either by product name, article number or simply browse through the catalogue's contents.
- > Single page portrait or double landscape views.
- > Zoom or move around pages with simple touch motions.
- > See something interesting! Share the Häfele app experience and email it to a friend.
- > Add articles to your shopping cart and access live online pricing, stock availability and place your order.

Download the App FREE from the Apple App Store®

or

Google Play Store®

* Note: Not supported on Apple iPhone due to its reduced screen size. All other Android smartphones are compatible.
