

AKRIL™
Decorative Panels

INFINITY®
Acrylic Benchtops

BENEFITS

- > No long lead times, special tools or skills are required to work AKRIL™ (as with conventional glass).
- > AKRIL™ is lightweight, comes with a 10 year UV warranty and is environmentally friendly - recyclable/lower energy than glass to produce.
- > Cut-outs, power points, and trimming to suit height and width are easily achievable on site, with standard power tools.
- > AKRIL™ is simply fixed to the wall with a high quality neutral-cure glass and glazing silicone. When installing any panels to wet areas, a perimeter silicone seal is required to stop any water affecting the specialised coating.

BENEFITS

- > EASY TO REPAIR
As Infinity® is a solid product, you can remove any minor cuts and scratches by simply buffing the surface.
- > HYGIENIC
Infinity® has a non-porous surface which makes the product hygienic.
- > GUARANTEED TO LAST
Infinity® is designed to last for life and is backed by a 10 year limited warranty when installed by a Häfele accredited installer.

- > Just one gentle pull for full and easy access.
- > The CONVOY Premio 'floats' all the stored contents out to within easy reach.
- > Maximum door opening angle is 135°, cabinet width 600mm.
- > SoftStopp Pro damping brings the CONVOY Premio to a gentle stop when extended out of the unit, combined with a damped action when closing the unit.
- > Provides a clear view of all the contents from three sides.
- > Trays are steplessly height adjustable.
- > Exclusively available from Häfele.

Note: Each CONVOY Premio set contains 1 x Frame set, 1 x Full extension runner and 5 x Premio shelf sets

KESSEBÖHMER CLIMBER Wall unit

BENEFITS:

- > Shimmering glass and glamorous movement.
- > A gentle tap underneath the carcass causes the shimmering front to split into slats that glide upwards in sequence.
- > The glass slats come in a choice of two colours, white and black.
- > Available as a complete ready to install unit in 600 x 780mm (W x H) or 900 x 780mm (W x H)
- > Exclusively available from Häfele.
- > Available glass finishes:

GRASS Drawer Systems

BENEFITS:

- > Even greater stability - 40kg to 70kg.
The good feeling of quality workmanship comes from side stability, quality materials and the professional finish of the Grass Nova Pro and Vionaro drawer systems.
- > Minimum installation width and straight inner sides. Gain in storage space: Straight inner sides allow for a much greater usable drawer space.
- > Smooth running, synchronised and silent over the entire extension.
- > Long cushioning distance, gentle closing with the hygienic medium of air.
- > The Nova Pro Night finish will provide a strong contrast against all timber tones and colour shades, with Grass' unique double-coat laquering process protecting the surface against scratches, to ensure these drawers will retain their stunning good looks day or night. Exclusively available from Häfele.
- > The brand new Vionaro drawer system from Grass is an exercise in minimalist styling, combined with the tried and tested Dynapro runner, to provide a perfect and modern design. The slimline design classic of tomorrow.
