easygroove bespoke

easyvj®

The *Palais Hotel, Semaphore Beach* featuring easyvj wall and ceiling panelling, was successfully designed to reflect the spectacular beach views and relaxed, summer vibe.

easyvj panels were used extensively throughout this new holiday home on *Noosa Beach*. The result reveals a contemporary beach-shack ambiance utilising a crisp, sophisticated palette.

easyvj®

easygroove®

This bespoke design using easygroove profile, was created exclusively for the \$55m conversion of the historic *CML Building* into the boutique 5 star *Mayfair Hotel, Adelaide*.

easygroove random wall panelling adds a unique eye-catching feature to this casual lounge room update.

easygroove®

easyline®

Adding just a touch of decorative panelling produces a more informal welcoming environment into this busy traffic area.

The distinctive profile of easyline brings the classic shiplap shadowline effect to this contemporary living area.

easyline®

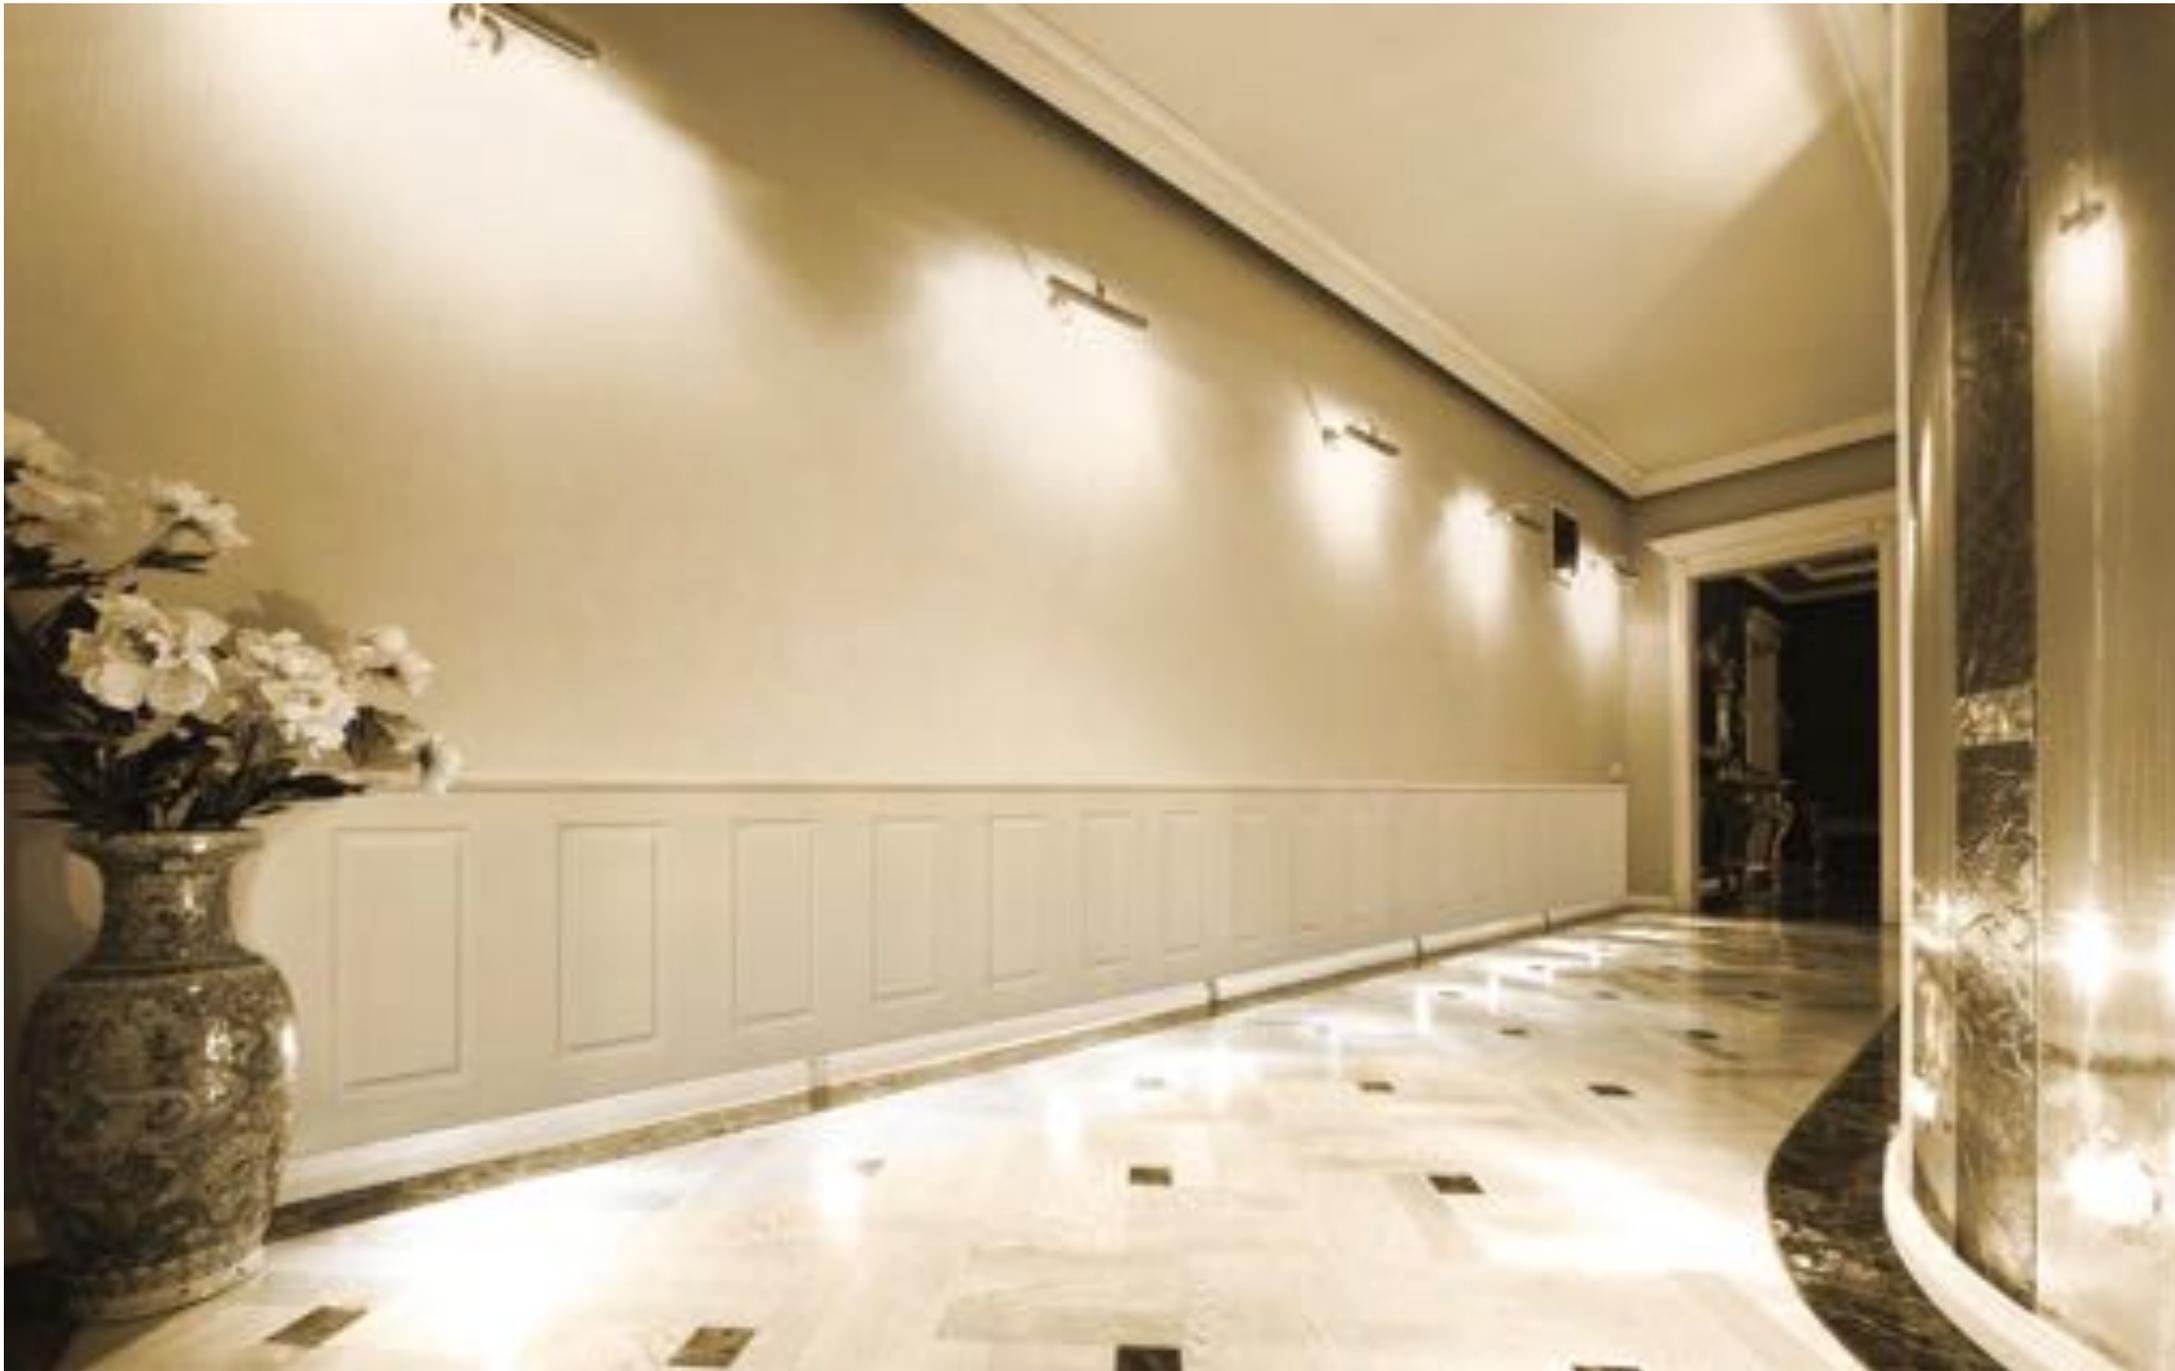

easyregency®

easyregency provides a unique and fresh full feature wall in this display home, creating a comfortable, relaxing environment.

Inspired by the refined homesteads of France's Champagne region, easyregency wall panels showcase the classic French feel with a neutral palette, in this new *Melbourne home*.

easyregency®

easyascot®

The careful detailing and true craftsmanship of the dado-rail ascot panelling produces an elegant focal point for this 5 Star Hotel entry.

The full wall ascot panel produces a beautiful classic formal finish creating an environment of regal opulence in this *Melbourne display home*.

easyascot®

easypanel®

easypanel displays the clean, finished look of traditional plasterboard but with innovative strength and durability.

In this shopping centre retail display easypanel offered a smooth, versatile wall finish that delivered a quick and simple installation solution.

easypanel®

easyveneer®

easyveneer timber panelling with easygroove profile presents a warm natural finish to this lounge / media room.

easyscreen provides the perfect solution, allowing airflow and open views, whilst delivering privacy with great looks.

easyscreen®

archipanel®

The Melbourne University Bio Science Sub School at the Parkville Campus features archipanel acoustic panelling in Tasmanian oak veneer with easyclear lacquer finish.

easyclear®

At Easycraft Australia, we believe no project is too large or too small to take advantage of the versatility that our products can deliver; from the largest commercial projects to the smallest boutique jobs, our team is committed to providing outstanding, fuss-free service and advice.

We pride ourselves on having the capacity to work with Architects, Designers and Specifiers to create and tailor bespoke products to meet their client's unique requirements.

With Easycraft, it is easy to create beautiful spaces with our comprehensive range of wall and ceiling panelling.

- Add warmth, visual interest and architectural flair to any space
- Achieve an innovative and distinctive look for homes and commercial buildings
- Dramatically transform internal and external living spaces
- Obtain advice, tips and instructions to assist with stress-free installation

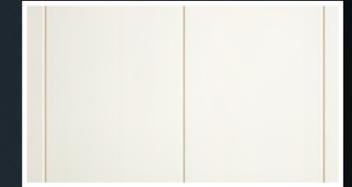

We invite you to visit our website and explore via our Designer portal.

You will find some inspirational examples of where other Architects, Interior Designers and Builders have used easycraft panelling to great effect.
