

Crystal High Gloss Ceilings Create Bright Spaces

CRYSTAL – the High Gloss Ceiling System – is a completely new vista for designers as the first ceiling system specifically created to capture the wow-factor and luxury appeal of high gloss ceilings.

Supawood Architectural Lining Systems have strengthened its market leading position in premium interior linings with this unique, yet surprisingly affordable, system.

The seamless Crystal ceilings make the space seem lighter, brighter and larger, and are available in a huge range of exciting colours to match any décor.

Crystal Ceilings are moisture resistant and fire retardant. They can also be shaped, curved or used as an acoustic absorbing ceiling.
