DISCREET

- The sleek retrofit housing neatly attaches to your existing opening and is available in a range of colours to match
- Compact and discreet 100 mm x 105 mm housing*
- The screen is discreetly rolled away until you are ready to use it.

CUSTOM

- Custom-made to fit all openings* and is available in the popular Dulux® powder coat range
- Variety of sun protection and UV resistant mesh options – Pet Lite, Sand fly and new Soltis® blind material.

*Maximum height and width ratio applies.

With Freedom Retractable Screens® you can keep the bugs out and let the view in.

Our custom-made fly screens are an elegant yet discreet way of taking control of your living environment and protecting your loved ones from pesky insects.

FREEDOM™ OUTLOOK MOTORISED

The Outlook Motorised screen is your screen solution for insect and sun protection for large openings such as doors, patios, alfresco areas and garages and spans up to 5 metres.

INNOVATIVE TECHNOLOGY

- Enjoy your outdoor living area and reduce the effect of sun glare, wind and rain with a touch of a button
- Utilising quality motorising and control systems by Somfy® technology.

ENGINEERED TO LAST

- Engineered to last the harsh Australian climate
- Backed by a limited five-year warranty with a nationwide distribution network with parts and service backup
- Made with quality Australian aluminium and premium UV resistant fibreglass mesh.

ECO-FRIENDLY

- Reduce your air-conditioning consumption and the associated electricity costs
- Great for the environment as it eliminates the need for insect repellents.

- Enjoy your outdoor living space with a touch of a button.
